Lid Cradle

For BlackBerry® Curve™ 9350, 9360 and 9370 smartphones

Lid Cradle is the perfect combination of function and style for your BlackBerry smartphone. The cradle made of TPU provides protection for the back of the phone while the lid, made of high quality leather, makes sure your screen is kept safe from scratches. There are openings for all smartphone ports and buttons, allowing you full usage of the phone without removing it from the case. Lid Cradle is available in two colours, black and purple. The black version has plain lining and the purple one lining with an elegant pattern.The Built for BlackBerry program is a partnership between Research In Motion® and selected partners. These partners will develop accessories and peripherals specifically designed to work with BlackBerry® smartphones and the BlackBerry® PlayBook™ tablet. Built for BlackBerry accessories will meet a high level of quality and are designed specifically for your BlackBerry smartphone or tablet. These accessories can also leverage advanced features that integrate your accessory and device in new ways
